

Cookie Inventory

www.dowcorning.com website

Cookie Name	Cookie Use
ACOOKIE	Used for WebTrends® Analytics
AnonLastVisitDate	Keeps track of the number of times visitors have visited the site as an anonymous user. This logic prompts the visitor to register after visiting the site anonymously on 5 different days.
AnonLastVisitDateSESS	
AnonVisitCount	
AnonVisitCountSESS	
bhawkplt	We use this information for troubleshooting issues visitors might encounter on the site.
bhCookieSaveSess	Used by the BrowserHawk component - this gives information about visitors' computer setup – e.g. cookies accepted, flash support, etc.
bhPrevResults	
ContactUsData	To enable Contact Us forms to prefill with the information from the Profile/Preferences page after changes are made to this page.
id	Used by doubleclick for tracking.
lastVisitUpdated	We use the cookie so we only update LDAP once during the visit.
WEBTRENDS_ID	For WebTrends® logging.
WsrProfile	To recognize visitors on their next visit. Prefills Contact Us without logging in. Prefills login form with user id. For self-registered users, things that require self registration are accessible without entering e-mail address again.
WsrRptId	To track visitors' session, both in the session and across sessions for reporting on the users session from the log files.
WsrSessId	
DCCustSatSurvey	To ensure customers fill in the customer satisfaction survey only once.
Other Survey Cookies	To ensure visitors fill in surveys only one and are not asked again when they decline participation.
